

- 1. Would you support doubling federal arts & humanities funding for the NEA & NEH to **\$1 per person each**, currently funded at only \$162 million (49¢), so that arts are more accessible to all?
- 2. Would you support expanding STEM education to include the arts to become **STEAM**, as well as reinstating the nation's report card in the arts?

- 3. Would you support an across-the-board charitable tax deduction so that **ALL** taxpayers, not just wealthier itemizers, are encouraged to make donations to their favorite charities?
- 4. Would you help create an **Artists Corps**, so that our national service agency can include artists to bring more innovation, creativity, and economic development to our communities?
